MEET-AND-GREET IN MELBOURNE, AUSTRALIA

Mirchawala's Hub of Accountancy hosted a meet-and-greet session at Hunger Den, Melbourne, Australia, on 5th September 2026, led by Mustafa Mirchawala, offering attendees a direct line of connection with an ACCA-qualified professional.

The session provided prospective students with a comprehensive overview of the ACCA qualification structure and the career pathways it enables, tailored specifically for those navigating a significant academic decision.

Designed to bridge the gap between curiosity and commitment, the session offered attendees meaningful insight prior to enrollment. In addition to structured guidance, the event featured one-on-one discussions with Mustafa Mirchawala, allowing attendees to raise individual queries in an informal, in-person setting.

The Melbourne session offered a low-pressure, high-value opportunity for informed decision-making, directly from an experienced ACCA professional.
